

About the School

As a nationally recognised college of excellence, this inclusive and innovative port city college has a worldwide footprint of international students, with a range of subject areas to suit all desires. With only 45-50 international students a year selected and enrolled within the college, this typically British college, is a force to be reckoned with.

With the progression of its students at the forefront of the college ethos, it is with this that the college caters for international students age 16-19, who want to focus on A-Levels and further qualifications. The college offers great facilities as well as a dedicated international team to support you and your needs as you progress.

The E6 personal development program is also available to all who apply. With 6 strategic strands to choose from (see activities) this initiative will allow you to span different pathways in order to develop old skills or learn new ones. From enterprise to sport and exercise, there will be something for everyone.

Location Information

Situated on the south coast of England, the city location gives you great network access to not only quaint local inland towns, but it also has rail links to the bigger coastline cities such as Brighton, Southampton and Bournemouth. If you wanted to experience the great capital city of London, you could do so in under 1.5 hours!

Steeped in maritime history, this city has lots to offer those wishing to explore the past, whilst taking advantage of local eateries, shops and places of interest with friends. Close to some beautiful beaches along the south coast, this is a bustling city with a small town feel. Lots of activities for young people to engage in and enjoy.
