

Sussex East, England

About the School

Based in the vibrant and cosmopolitan city of Brighton, we find this sixth form college campus, renowned for its academic excellence, nestled in beautiful green surroundings, offering students an inspiring and stimulating environment in which to learn and fulfil their potential. Boasting an array of modern facilities and study spaces, including a fitness suite and café, access to an abundance of subject choices at varying levels and extra-curricular activities, the college is a popular choice for International students who, in the past, have gone on to study at some of the most prestigious universities in the UK, such as Oxford and Cambridge.

Students are welcomed into this special learning environment by friendly and encouraging staff whose aim is to encourage student growth and personal development and help them grow into confident and well-rounded young adults by supporting them through their learning experience.

Location Information

Situated on the south coast of England, the city location gives you great network access to not only quaint local inland towns, but it also has rail links to bigger coastline cities such as Southampton, Portsmouth and you can travel to London easily by train. This city is small in size, but it boasts a large array of activities, events and it is a wonderful place for young people to spend time. 41% of residents are age 20-44, so this is a city for young people.

You can spend your afternoon walking along the beach and enjoying fish and chips or you can have some fun on the historic pier. In the surrounding area there are more beaches and beautiful countryside. Lots to do and many places to visit.
