

## About the School

This college prides itself on providing a friendly and encouraging atmosphere for their students to thrive in. Based on the south coast of England, you are not far from the beach and this campus is based in beautiful parkland and is just a short walk from the town centre.

The college aims to inspire, build confidence and prepare you for the life you want to live. You can choose from over 60 courses at the college and you will take 3 subjects plus have additional English language training provided to you. Also within your timetable you can join the enrichment activities that the college can involve you in. 2021 will also see the launch of more clubs for students to join.

The modern college campus is based across 18 acres of parkland. The modern college building is split into 9 Learning Zones for their subject areas and each has an Independent study area. The college has been ranked 'Outstanding' by the Government assessment body. This is a wonderful college for international students to receive an enriching and unforgettable experience.

## Location Information

Situated on the south coast of England, the town location gives you great network access to not only quaint local inland towns, but it also has rail links to the bigger coastline cities such as Brighton, Portsmouth, Southampton and Bournemouth. London is also just a short commute away.

The town is busy and very friendly. It is a safe place for young people to explore and for those who like getting outdoors, the town is surrounded by beautiful countryside, but also has plenty of activities in it and near it for those who like more activities and live events. You are not far from anywhere in this town.
